

# CHARGER EXPERT

FOR SKD/OEM/ODM

广州市金佩林电子科技有限公司  
Guangzhou Goldplin Electronic Technology CO.,Ltd

Guangzhou Goldplin Electronic Technology Co., Ltd. was established in October 2011 located in No.11 Qunxing Street, Fuyong Village, Shawan Town, Panyu District, Guangzhou City, the factory area of 7500 square meters, with professional technical personnel and more than 150 employees, all products independent research and development, appearance design, mold processing, plastic shell, hardware processing, PCBA processing, SMT, AI, automated production line and quality testing system, integration of assembly and packaging industry and trade, independent research and development and production of various power bank, data cable, car charger, TWS, mobile phone charger 5V1A, 5V2.4A, QC3.0 18W, QC super fast charge 20W-65w and PD20W-65W, as well as QC+PD full protocol charger and GAN100W/120W and other high-power products professional manufacturing factory, warmly welcome OEM, ODM customers to inquire and negotiate, cooperate together.

**TL979**

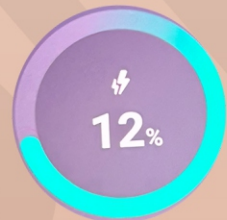

## 25W Super Fast Charging

Model: TL979

Input: 100-240V~50-60Hz

Output: 5V/3A, 9V/2.77A, 12V/2.1A

PPS 3.3-5.9V/3A, 3.3-11V/2.75A

Super fast charging 2.0

# Best Price
